

TOP 6 REASONS TO CHOOSE

Feature Loaded

Out-of-the-box, PBXact UC is an incredibly feature-rich PBX with advanced features like Conference Pro, Extension Routing, Fax Pro, class-leading auto deployment tools, installation wizards and dashboards.

Quick Deployment

With a Quick-start Installation Wizard and simplified dashboard GUI, getting your system up and running has never been easier and faster. In addition, the EndPoint Manager makes phone configuration a cinch.

Zero-touch IP Phone Setup

Thanks to Sangoma's Redirection service, enjoy zero-touch provisioning when pairing PBXact UC with Sangoma IP Phones. This all happens within seconds!

Compatibility & Integration

PBXact UC supports open SIP standard, 20 different manufacturers and over 300 models of phones so you're not locked in to a single vendor.

End-to-end Solution

PBXact UC systems are designed to automatically integrate the complete range of Sangoma product lines (telephony cards, SBCs, Vega Gateways, etc.), creating a true end-to-end solution for all business sizes.

Take Your Office with You

The User Control Panel provides each user with a web-based login to allow easy control of their personal experience from any device. Things like call history, contacts, presence and more.

Hardware Models Range from Support for 40 to 5000 Licensed Extensions

PBXact UC 40/60/100

PBXact UC 300/1000

PBXact UC 5000

TOP 6 REASONS TO CHOOSE SANGOMA IP PHONES

1 Designed for PBXact UC

PBXact UC is a fully featured, commercially supported, business communications turnkey solution. Sangoma phones were designed specifically with PBXact UC in mind.

2 Plug & Play

Reduce installation and integration time by a factor of 10 by leveraging Sangoma's secure Redirection Service and PBXact UC EndPoint Manager software.

3 Built-in Security

All Sangoma phones are enabled to provide secure configuration (HTTPS), Secure VoIP Protocol, Voice (TLS and SRTP) and on-board VPN clients that integrate directly with PBXact UC VPN server software.

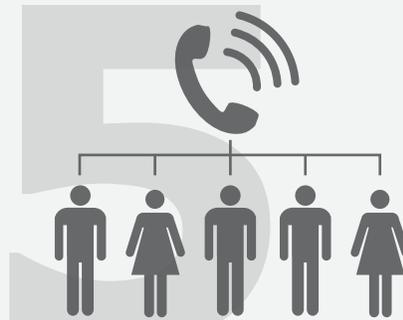

4 Phone Apps

With Sangoma phones, PBXact UC Phone Apps are activated immediately, with applications like DND, Time Conditions and Visual Voicemail. No need to remember complex feature codes!

5 5-Way Conferencing

Easily set up ad-hoc 5-way conference calls in no time. No need to schedule and reserve conference bridges.

6 High-def Voice

Leverage our built-in high definition voice codecs for amazing call clarity in 1:1 calls, conference calls and over-the-speaker phone calls.
